AB & Co

GOVERNMENT CONTRACTOR

CIVIL & MECHANICAL WORKS

VISION BE THE AB & CO
CIVIL & MECHANICAL WORKS

Civil and Mechanical, and project management organization by achieving extraordinary results for our customers, building satisfying careers for our people, and earning a fair return on the value we deliver. Our mission is to add value to our clients through the provision of Engineering, Construction, and Project Management services for infrastructure, industrial projects. We aim to focus on talent development and become a great place to work at by empowering our people to think creatively, take ownership, and most importantly, have fun. We strive to deliver the best quality to our clients and stay profit - able in all our business decisions. We aim to diversify into new areas that complement and supplement the core business, with the diversification aimed at achieving excellence and industry leader status in the new areas .

AB & Co as a Civil and Mechanical works contractor. Over the years, the group has undertaken many challenging projects and accumulated skills, know-how and experiences in design and build, project management services.

Today, AB & Co takes on the role of main contractor for small, medium and large size projects and performs management services to coordinates specialist trades for industrial/commercial projects. We also provide design inputs and engineering solutions as value-add services to our clients.

Our objective is to provide our clients with an "I am assured" experience when we are chosen to execute their projects. Our emphasis on clear communication and follow-through procedures ensures that client's objectives are top priority in the paining and execution of all our processes.
